Dear Mr Dabelstein:

Thank you for your letter of June 15, giving a record of your reception, of our station. Most of your log is correct but there is a block of three commercials ,Garden House, Myrtle Beach Vacation, and Album Offer, which are not ours. I suspect that a S. C. station snuck in on you at this point.

It might be of interest to you that on that same date earlier inthe morning I had my TV on channel 2 and was receiving a combination of WTHS in Miami and K??? in Tuson.

If you ever try AM DX'ing you might try for our sister station WFTC 960KHz on the dial, 5KW day and 1KW directional (eastward) at night.

Again thank you and good luck with your long distance reception.
